About Opus

Opus is a technology-driven growth company in the vehicle inspection and intelligent vehicle support markets. The company has a strong focus on customer service and innovative technology within emission and safety testing and intelligent vehicle support. Opus had approximately SEK 1.9 billion in revenues in 2017 with solid operating cash flow and good operating profitability. Opus' plan is to reach USD 400 million in revenues and USD 100 million in EBITDA by 2021. The majority of the growth is estimated to come from the international expansion of the vehicle inspection business, with a primary focus on the Latin American and Asian markets, and the expansion of the intelligent vehicle support business. With approximately 2,500 employees, Opus is headquartered in Gothenburg, Sweden. Opus has 34 regional offices, 24 of which are in the United States and the others in Sweden, Argentina, Chile, Mexico, Peru, Pakistan, United Kingdom, Germany and Australia. Opus has production facilities in the U.S. in Hartford, Ann Arbor and Tucson. The Opus share is listed on Nasdaq Stockholm.
